BAGEL BITER *Plus*™

COMMERCIAL BAGEL BITER PLUS™

SMARTBLADE PLUS™ REPLACEMENT CARTRIDGE

Benefits and Features:

- NSF® Certified for commercial use
- Engineered for demanding commercial applications
- Wear and abrasion resistant Xylan Plus® nonstick coating
- Nonstick coating makes cleaning easy and protects blade edges for longer life
- Smallest footprint of all commercial bagel slicers saves valuable counter space
- Clear Lexan* resin blade guards designed to prevent slicing injury
- Practically impossible to cut yourself while slicing a bagel or when replacing blade cartridge
- Portable and does not require anchoring
- Dishwasher safe
- Base made with virtually unbreakable Lexan* resin
- Contemporary design complements service area
- User-friendly for customers and employees
- Dual blade guards ultrasonically welded together with blade for safety
- EASY-TO-REPLACE blade cartridge maintains superior slicing performance
- Limited one year warranty
